A new Look for our Bulletin

This new format for our Bulletin will now allow us to be able to present all the regular branch news & events in a easy to read and less expensive to publish format. This will also allow us to be able to download each issue of our newsletter in our new website

We welcome any comments or suggestions you may have on this new format.

General Meeting Sunday September 16, 2007

The comments listed below are my own opinions. No one else had any input in these opinions. Wayne Hayes

I always believed that a general meeting had four main purposes. The first was to inform its members of what has happen since our last meeting. The second is to inform the members what is the agenda plan for the next period of time. The third is to have the members suggest what they would like done for the good of the organization. The fourth is to listen to any complaints coming from the membership and to hope an answer may solve these complaints.

If the above is any where near being right, our general meeting in September was almost a waste of time. We had 44 members (that included the Executive) 5 Guest and 8 new members to be initiated. That in simple math means that we had less than 8 percent of our members at the meeting and 92 percent of our members were not at the meeting. It is understood that some of our senior members cannot make it because of health

reasons, transportation etc. But not all the 550 members that did not show are seniors. We may have some members that work on a Sunday. I am also sure we have some that have family commitments but out of almost 600 members surely we should be able to get more than 44 to meeting. This is your Branch and we are your elected Executive and your support would be greatly appreciated. And I also know with your support that we can make RCL Branch 614 survive or without your support it will fail.

Here is a short message about the bulletin that was discussed at the meeting. From here on there will only be one per household. And we are requesting a little help in distribution. For those that can pick them up at the Branch and we don't have your name already let us know please. For those that can accept them by e-mail please let us know and give us your e-mail address. For those who do not want them at all, let us know and you will come off the list. The balance will be mailed as normal. I will make up a small form and leave it on the new bulletin board for your reply.

RCL BRANCH 614 REPORTS

President's Message John Harris

At this time I would like to thank the Executive and Volunteers for all the hard work they are doing to make branch 614 the best. This I cannot do alone.

By the time this report goes to print, the painting will have been completed within the branch, and our 40th Anniversary celebration will have taken place.

As many of you may not be aware that by the end of this year we must surrender our Ladies Auxiliary Charter unless we can get enough ladies to retain it.

Please help your branch by participating and volunteering in up and coming functions as in help running and participating in the meat roll, sports and dances.

Please and foremost realize your branch is a business, and like a candy store if you don't buy the candy we will have to close.

When you took your OATH of membership, you swore to help in the Poppy Campaign, please abide by your oath. If you are incapable of tagging, there are many other jobs within the Poppy Campaign that you can help with.

In all aspects HELP, HELP, HELP.

Yours in Comradeship

**John Harris
President of Branch**

Membership Chairperson June Hayes

Regalia June Hayes

Thanks go to Joy Stott and friend, Linda Hayes and Barb & John Latham for manning the Regalia Table on Tattoo Day. It was very successful project. I would also like to thank our unofficial salesman, William Small, for all his efforts to promote and sell our regalia products.

Service Officer Ray Cameron

Comrades All

Well comrades, summer has passed much to quickly and I for one enjoyed every minute of it. Heat and all. I hope the rest of you can say the same.

Although I am no longer Poppy Chairman, I would still like to mention too many members are forgetting the oath they made when they joined. Just paying your dues to carry a legion card is only part of being a member. The Poppy Campaign requires a lot of help and all our WW2 Veterans are in their eighties and fewer each year are able to help, especially tagging. I was very fortunate to have the help of Ken & Jenny Mulholland. They practically ran the campaign two years in a row, although it was I that held the title of Poppy Chairman. They certainly will be missed.

There are still quite a few veterans still not on the V.I.P. program. Some have been turned down because of a means test. I would suggest that they reapply for a hearing test. At our age we probably have hearing loss and it could have been caused by your war service. Recently several veterans have been accepted and some from our Branch.

The U.K. government has issued an Artic Star Medal to any Allied Navy or Merchant Seaman that was in the convoys to North Russia during WW2.

This is a civilian emblem and may also be worn by a veteran's widow. A friend of mine has already received her husbands. I have the applications forms if anyone is eligible.

Entertainment June Hayes

We have a couple of new faces joining our entertainment team so please give them a chance and come out and support them and the Legion.

We also need to improve the attendance on Saturday nights. We cannot afford Saturdays like September 22. We paid out more than the bar took in.

If anyone has any suggestions on improving this night, please present them to me. The alternative is to start something else on a Saturday night and I am sure this is not what the members want us to do.

It has been suggested and we have been discussing about having food on Friday, Saturday and Sunday. A lot of the other Branches do this and it goes off really well. The main problem is help. Members must start putting in some time to make all these projects work. Right now it is always the same limited amount of members volunteering and this is wrong. This is your Branch and a couple of hours every now and then could not hurt you.

If anyone would like to step forward and take on some of the responsibility every once in a while, please contact me and I am sure I can get you scheduled in to something.

Ways & Means Wayne Hayes

I have been informed that this position is very important to our Branch. I have also been informed that my duties are to dream up ways to take your money to help support our Branch and to be sure you enjoy yourself well being done in. Not much different than I have been doing since joining the Branch in May 2005.

In my opinion this position should be very easy. The branch members have really supported all the functions that I have dreamt up so far. You have supported all other functions that the Entertainment Committee and Ways & Means Committee had put on. All we have to do is keep you happy.

I left the above part of my report in from the last bulletin just to remind myself it was a blind statement. I thought things were going to be fairly easy to promote. But at the time I am writing this report (Sept.21) I have been very disappointed with the response with the sale of tickets for our Newfie Dance (100) and our 40th Anniversary Dinner and Dance (23). Members are sitting back and saying, "Ho Hum do I come". It is very discouraging. Our committees are trying to estimate the food order. Do they go high and have too much. Do they order enough for the 100 people that have bought their tickets by the deadline and tell everyone else you can buy your ticket but you are not getting any food because you were to late buying your ticket? It's hard to judge. Last years Newfie Dinner and Dance was supposed to one of the best functions held at this branch and raised over \$3000.00. What more can I say, except to tell you to tell us what you want so we may know what to do for you and then you might get out and support this branch.

Sergeant-At-Arms Frank Yip

Dear Comrades,

I am pleased to report that up to this very moment I feel I can carry out my duties as Sgt-At-Arms for this Legion smoothly with the support of all my comrades. Please accept my heartily thanks to you all.

We have already done most of the major events of the year. The Tattoo hosted by our Branch was a successful and remarkable one. With all members' good efforts and organization that enabled us to present a good parade to the public. I am proud to prove that our Branch has the ability to have our own Parade Marshall on parade without seeking any help from other branches.

Our Color Party and some members took part in the march at the Warriors' Day Parade at the CNE and I wish to thank all for the good showing. We did really present ourselves proud on this day. We did have a very good day with the perfect weather.

As for the Service Parade of the Pine Hill, I am pleased to report that we also had a good showing of support for this event. All the credit should go to those who participated and make this event more meaningful.

October should be a quiet month. We only have the 40th Anniversary Dinner & dance before the busy season of November. That is when all the remembrance services will be taken places. Hope that all of you can continue to support those events that our Branch is going to participate in especially the REMEMBRANCE DAY MARCH on Sunday, November 4th at the Scarborough Civic Centre. The parade will march off at 1.00pm.

In the mean time I have a problem with my Color Guards. We are short of personal because some of the past Color Guard members have moved up to a more delegated positions and cannot commit their duty to the color party. If anyone is willing to help, please contact me. Your willingness is always appreciated. I do wish that my color party and myself could continue to do well to serve the Legion and the community. However, I can do nothing without your good supports!

WARRIORS DAY PARADE

Nice looking bunch. Please take note all marchers are in step. Hard to believe

Tuesday Night Darts will start on Tuesday October 9 at 7.30pm. Schedules are already prepared and the teams have been put together. We have 8 teams with four players to a team. I will be posting both on the bulletin board in the games room shortly.

In regards to the shuffleboard, we are still trying to get more information. John Harris is going to get the man's name that sold the shuffleboard to the Legion. He should be able to tell us about the functions and than we can play.

Seniors Events Pat Goode

We will be going to the Stratford Theatre on Tuesday October 16, 2007 to see Oklahoma. The cost will be \$107.00. This includes the bus, your ticket and lunch. We leave the branch at 9.00am and return by 8.00pm.

We have a trip planned for Rama Casino on Monday, December 10, 2007. The cost will be \$5.00. This includes the bus, and your lunch. We leave the branch at 9.30am and get back to the branch at 6.30pm.

Seniors Jack Harper

We now have a 52-inch TV in our games room and cable to allow us to watch soccer, hockey, baseball football and other sporting events. It will allow our members and guest to stay at the Branch to watch these things and in turn will bring the Branch More Revenue.

The television set did not cost our Branch one penny. Money was donated by several people to add it to our game room.

Walk-A-Thon Chairperson Karen Moore

We had six walkers in the Walk-A-Thon. Three of those people belong to other Branches and participated under Branch 614, William Shaw, Linda Caparelli and Alyssa Caparelli. Thank you very much. Our three members were Nikki Warmerdam, Virginia East And Stuart East. Congratulations go to the six of you. You raised over \$ 1200.00 dollars for the Tony Stacey Centre

A THANK YOU NOTE FROM NIKKI WARMERDAM

I would like to thank all the people who sponsored me for the Tony Stacey Centre Walkathon. The weather was perfect and all the Branches involved were very friendly and most hospitable.

I should also like to thank the many people who have made complimentary comments about our Branch's garden. VERY MUCH APPRECIATED. Thanks Again Nikki Warmerdam

The story below was sent to me via e-mail and I thought it was a good story to pass on to the members of this branch. As I read through it I found tears forming in my eyes and had found it had started me thinking that if we all followed this example, what a world it could become. If you think about it, this boy could have been any one of the people involved in our lives. He might have been a Veteran, a senior, grandparent or parent, uncle, aunt, nephew, niece, cousin, brother, sister or just a good friend etc.

What would you do? You make the choice. Don't look for the punch line because there isn't one. Just take a little time and read it anyways. My question will be, 'would you have made the same choice?'

Two Choices

At a fundraising dinner for a school that serves learning-disabled children, the father of one of the students delivered a speech that would never be forgotten by all who attended. After extolling the school and its dedicated staff, he offered a question: "When not interfered with by outside influences, everything nature does is done with perfection. Yet my son, Shay, cannot learn things as other children do. He cannot understand things as other children do. Where is the natural order of things in my son?"

The audience was stilled by the query.

The father continued. "I believe that when a child like Shay, physically and mentally handicapped comes into the world, an opportunity to realize true human nature presents itself, and it comes in the way other people treat that child."

Then he told the following story:

Shay and his father had walked past a park where some boys Shay knew were playing baseball. Shay asked, "Do you think they'll let me play?" Shay's father knew that most of the boys would not want someone like Shay on their team, but the father also understood that if his son were allowed to play, it would give him a much-needed sense of belonging and some confidence to be accepted by others in spite of his handicaps.

Shay's father approached one of the boys on the field and asked (not expecting much) if Shay could play. The boy looked around for guidance and said, "We're losing by six runs and

the game is in the eighth inning. I guess he can be on our team and we'll try to put him in to bat in the ninth inning."

Shay struggled over to the team's bench and, with a broad smile, put on a team shirt. His Father watched with a small tear in his eye and warmth in his heart. The boys saw the father's joy at his son being accepted. In the bottom of the eighth inning, Shay's team scored a few runs but was still behind by three. In the top of the ninth inning, Shay put on a glove and played in the right field. Even though no hits came his way, he was obviously ecstatic just to be in the game and on the field, grinning from ear to ear as his father waved to him from the stands. In the bottom of the ninth inning, Shay's team scored again. Now, with two outs and the bases loaded, the potential winning run was on base and Shay was scheduled to be next at bat.

At this juncture, do they let Shay bat and give away their chance to win the game?

Surprisingly, Shay was given the bat. Everyone knew that a hit was all but impossible because Shay didn't even know how to hold the bat properly, much less connect with the ball.

However, as Shay stepped up to the plate, the pitcher, recognizing that the other team was putting winning aside for this moment in Shay's life, moved in a few steps to lob the ball in softly so Shay could at least make contact. The first pitch came and Shay swung clumsily and missed. The pitcher again took a few steps forward to toss the ball softly towards Shay. As the pitch came in, Shay swung at the ball and hit a slow ground ball right back to the pitcher.

The game would now be over. The pitcher picked up the soft grounder and could have easily thrown the ball to the first baseman. Shay would have been out and that would have been the end of the game.

Instead, the pitcher threw the ball right over the first base man's head, out of reach of all teammates.

Everyone from the stands and both teams started yelling, "Shay, run to first! Run to first!" Never in his life had Shay had never run that far, but he made it to first base. He scampered down the baseline, wide-eyed and startled. Everyone yelled, "Run to second, run to second!" Catching his breath, Shay awkwardly ran towards second, gleaming and struggling to make it to the base. By the time Shay rounded towards second base, the right fielder had the ball ... the smallest guy on their team who now had his first chance to be the hero for his team. He could have thrown the ball to the second-baseman for the tag, but he understood the pitchers intentions so he, too, intentionally threw the ball high and far over the third-base man's head. Shay ran toward third base delirious as the runners ahead of him circled the bases toward home. All were screaming, "Shay, Shay, Shay, all the Way Shay"

Shay reached third base because the opposing shortstop ran to help him by turning him in the direction of third base, and shouted, "Run to third! Shay ran to third!"

As Shay rounded third, the boys from both teams, and the spectators, were on their feet screaming, "Shay, run home! Run home!" Shay ran to home, stepped on the plate, and was cheered as the hero who hit the grand slam and won the game for his team.

"That day", said the father softly with tears now rolling down his face, "the boys from both teams helped bring a piece of true love and humanity into this world".

Shay didn't make it to another summer. He died that winter, having never forgotten being the hero and making his father so happy, and coming home and seeing his Mother tearfully embrace her little hero of the day

NINE WORDS WOMEN USE

1. **Fine:** This is the word women use to end an argument when they are right and you need to shut up.
2. **Five Minutes:** If she is getting dressed, this means a half hour. Five minutes is only five minutes if you have been given five more minutes to watch the game before helping around the house.
3. **Nothing:** This is the calm before the storm. This means something and you should be on your toes. Arguments that begin with nothing usually end in fine. (Refer back To # 1 For Fine)
4. **Go Ahead:** This is a dare, not permission. Don't do it.
5. **Loud Sigh:** This is actually a word, but is a non-verbal word statement often misunderstood by men. A loud sigh means she thinks you are an idiot and wonders why she is wasting her time standing here arguing with you about nothing. (Refer back to # 3 for the meaning of Nothing)
6. **That's Okay:** This is one of the most dangerous statements a woman can make to a man. That's okay means she wants you to think long and hard before deciding how and when you will pay for your mistake.
7. **Thanks:** A woman is thanking you, do not question, or faint. Just say you're welcome.
8. **Whatever:** Is a woman's way of saying F@!K you.
9. **Don't worry about it, I got It:** Another dangerous statement meaning this is something a women has told a man to do several times but is now doing it herself. This will later result in a man asking 'What's wrong? For The woman's response refer to # 3.

A young Canadian soldier was attending some college courses between assignments. He had also just completed a mission in Afghanistan.

One of the courses had a professor who was a vowed atheist. One day the professor shocked the class when he came in. He looked to the ceiling and flatly stated, 'God, if you are real, then I want you to knock me off this platform. I'll give you exactly 15 minutes'.

The lecture room fell silent. You could have heard a pin drop. Ten minutes went by and the professor proclaimed, 'Here I am God. I'm still waiting'.

It got down to the last couple of minutes when the young soldier got out of his chair, went up to the professor, and cold-cocked him, knocking him out cold and off the platform. The young man went back to his seat and sat there, silently. The other students were shocked and stunned and sat there looking on in silence.

The professor eventually came to, noticeably shaken, looked at the soldier and asked, 'what the hell is the matter with you? Why did you do that?'

Came the reply fro the young soldier, 'God was too busy today protecting our soldiers who are protecting your right to talk stupid and act like an asshole. So he sent me'
